Summary

Images- Director - Teacher

Certified educator and previously taught six classes a year of digital media including college level and IB course. One year as a 6th grade science teacher. One year as an Aftercare Director. Thirteen years of professional photography to create a master's knowledge of digital media. I have managed digital catalogs with hundreds of millions of assets and have personally photographed over five million images. I specialize in capturing the decisive moment. An explorer and avid learner

Experience

Director of Digital Media / Skylemar

MARCH 2021-JULY 2022, NAPLES, MAINE.

- Lead a team of 7 photographers, videographers and editors in a collaborative environment.
- Processed, reviewed and organized the digital assets created.
- Operated under a nightly deadline to produce journalist stories and creative content.
- Guaranteed 200 amazing images of each client within a session.
- Taught 4 classes of 15 students digital art and visual design.
- Remained up to date on current photography trends, providing new approaches that decreased the editing time in half.

Aftercare Director / Manatee Charter School

SEPTEMBER 2020- MARCH 2021 , BRADENTON, FLORIDA

- Managed student programs outside of normal school hours with children aged 4-12 in supplemental education.
- Maintained a budgeted inventory and curriculum for the program.
- Provided a leadership role in the health and safety of 120 students a day.

Science Teacher / Galaxy Middle School

AUGUST 2019 - MAY 2020, DELTONA, FLORIDA

- Instructed a substantial knowledge of science concepts for 6th grade students.
- Implemented innovative programs for learning and effective interactions both in person and virtual lessons.
- Monitored and assisted 6 classes of 40 students with graded work and assignments.
- Conferred with parents on performance and student behaviors.

Digital Art Teacher / Spruce Creek High School

AUGUST 2017 - AUGUST 2019, PORT ORANGE, FLORIDA

- Developed a curriculum for an inquiry based art program to the International Baccalaureate and Advanced Placement standards.
- Lead 6 classes of advanced students in design and creative concepts.
- Provided an open choice art room with an emphasis on expression of thought.
- Built an artistic process by focusing on elements and principles of design.

Photographer / Advent Health for Women

JANUARY 2016 - AUGUST 2017, ORLANDO, FLORIDA.

- Provided portraits to every mother at the hospital moments after a child is born.
- Scheduled 15-20 sessions a day with a steady and consistent pace.
- On location photographer, posing and calming distressed children and infants at the mothers bedside.
- Provided calm and kind communication to parents that had just given birth.
- Maintained safety and confidentiality in compliance with HIPPA and infant protection laws.

Photographer / Skylemar

MAY 2011 - AUGUST 2013, NAPLES, MAINE.

- Edit, review and organize the digital assets produced.
- Covered the daily activities with journalist style images.
- Maintained a catalog of archived and sorted files.
- Participated in a collaborative creative environment.
- Managed a creative suite of software and tools to edit images.

Education

Bachelor of Science: Photography / University of Central Florida

AUGUST 2013 - DECEMBER 2015, ORLANDO, FL

- Crafted a portfolio with a limitless diversity of breadth and depth.
- Finished creative products to a meticulous excellence standard.
- Discovered an amazing skill used in a collaborative environment.
